

Referral and Reward Program

Quality of eyecare and eyewear products varies dramatically from one place to another. As long as you are a patient in our practice, please know you will receive the most comprehensive, individual eye health care and the finest eyewear and contact lens products available. We hope you will always be comfortable and confident sharing our philosophy with others. When you do, we want to express our gratitude with a program extending you substantial savings on your next product purchase. Sign the bottom of this form and give it to a friend or family member new to our practice. When that person presents the form at their visit, **you will save \$20.00 on your next product purchase.** The more forms we receive, the more money you save. It's that easy!

We look forward to continuing to serve your eye health needs!
